## Steel Folding Crib

**Pinnacle™**  
4025-4S-CW  
w/ 4" Innerspring Mattress

The ultimate in steel folding convenience, styling and quality Foundations® Steel Cribs are made specifically for commercial use, while featuring styling usually only found in residential cribs. 360 degree welding process and heavy-duty steel ensure years of carefree use. The non-porous, easy to clean, powder-coated finish resists corrosion and scratches. Cribs meet CPSC, ASTM, and JPMA crib safety standards, and the new Flammability Standard CFR 1633. All instructions are permanently affixed to avoid loss, and are printed in English and Spanish for use in U.S. and Latin America while the Pinnacle™ also contains French and meet Canadian Safety Standards. Cribs arrive fully assembled and can fold for easy storage in seconds. Full one year warranty.

## Crib Accessories

**Crib Saver™**  
97-NN-B1

Commercial cribs receive most wear and tear while in storage. Extend your cribs life and protect it from dirt, dust, bumps, and bruises with our heavy-duty nylon crib cover.

## Crib Blankets

**ThermaSoft™ Blankets**  
CB-00-WH-06

ThermaSoft 100% cotton blankets are the ultimate in comfort and durability. At 30" x 40" the blankets are large enough to be used with any size infant. Sold in case packs of 6 only.
