

Thank you for your interest in applying for credit terms with our company. In order to expediate the process, please have fax and phone numbers for all your references.

The references you provide must be from a supplier from which you are billed for the product you receive. It can not be a service company such as the Cable Company, a gas company, a car repair store, or a building contractor. These are services that must be paid or service will be negated and therefore can not be used as a reference to set up an account.

Please call if you have any questions in regards to the credit application process and we would be happy to help you.

Thanks again for your interest in our company. We look forward to doing business with you in the future.

Sincerely
